

Inspecta Sertifiointi Oy has granted this certificate as proof that the
environmental management system of

Tampere Regional Solid Waste Management Ltd.

complies with the requirements of the standard

ISO 14001:2004

Certification covers

**Environmentally sustainable waste management services with high responsibility
towards customers in Pirkanmaa Region. Waste collection, transportation,
processing and recycling together with co-operators as well as
customer service and information. Developing waste management
according to national and regional objectives.**

The certificate is issued on 2015-09-14
(first issue 1999-06-04).
The certificate is valid until 2018-09-30.

Tomi Kasurinen, Managing Director

The certificate is valid on condition that the environmental management system of the organization
remains in compliance with the aforementioned standard and the General Regulations ABC 200.
The validity of the certificate can be checked on the Internet at www.inspecta.fi
